# Building a strong culture for an evolving world

For our extraordinary community to fulfil our purpose, we rely on the strength of our culture. We thrive and our students thrive when we go forward together, progress by facing challenge, anticipate the future, and stay open to new ideas and ways of working.

## Our Mindsets

Building a thriving culture isn't accidental – it's the result of intentional choices and actions we take every day. By living through our mindsets, we don't just shape the way we work – we build a culture that empowers us to drive purpose and create change so we can grow, succeed and make a lasting impact.

---

### We go together

We are stronger together, as one global schools system and operate with our collective goals in mind. We show up for one another, collaborate widely and share generously.

---

### We believe we can

We are driven and passionate about what we do. Determined learners, we progress fast by facing challenges and empowering others to do the same. We take ownership of our responsibilities and always believe there is a way.

---

### We stay ahead

We embrace change to stay ahead, whilst maintaining high-standards and best practice. We anticipate the future, not afraid to do things differently so that both our students and our business thrive today and tomorrow.

---

### We share a growth mindset

We always consider the needs and perspectives of others. We are open to new ideas and ways of working, connecting to wider perspectives wherever possible.
