

ST.
CLARE'S
SCHOOL

£10 MILLION INVESTMENT

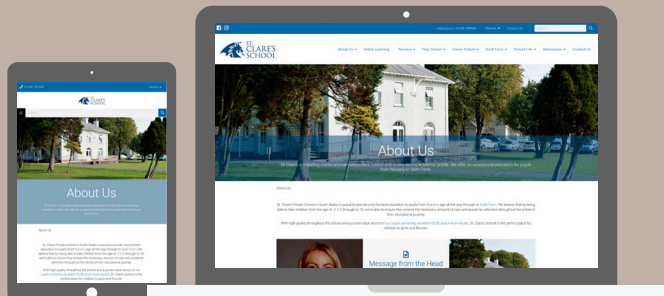

across Cognita Europe schools including St Clare's - during a recession, a global pandemic, and a global squeeze on the IT supply chain.

Over 5 months, the Cognita team delivered...

OVER 10,000 LAPTOPS AND IPADS

procured, set up and deployed with care
into students' hands, packaged into an
exciting 'unboxing experience'

1,759

EDTECH COURSES

completed by teachers

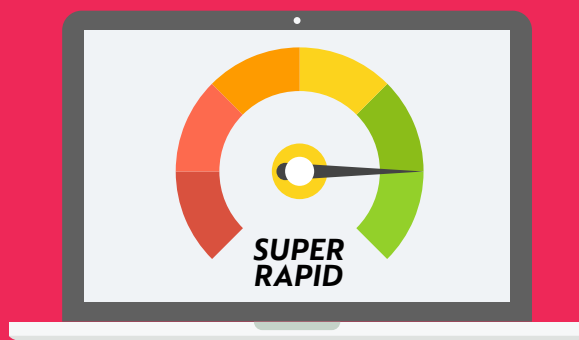

81% OF 4,000 STUDENTS

feel the device and EdTech will help their learning

29 NETWORKS UPGRADED

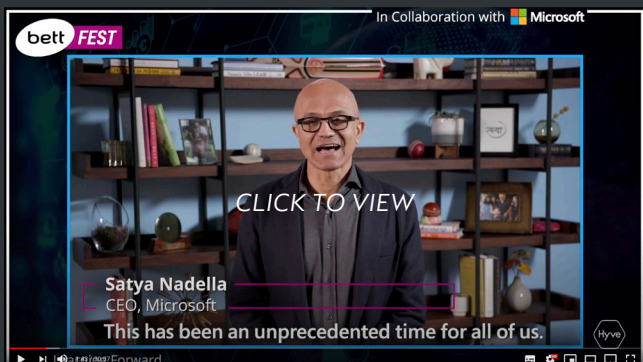

the gift of super-rapid broadband much
appreciated by schools

“What Cognita Schools were able to do...
bringing all the students to engage in a
collaborative way with the teachers.

That's phenomenal”
